

# FreseniusRx

## Delivering more good days.

You deserve more than just pills in a bottle. FreseniusRx's pharmacy makes it easier for you to get the medication you need to manage your treatment.

Our pharmacy understands the needs of patients on dialysis and that your treatment plan can be complicated. We're here to help you.

### **OUR PHARMACISTS ARE KEY MEMBERS OF YOUR CARE TEAM.**

We work with you, your doctors, dietitians, nurses, patient care technicians, and family members to improve and simplify your care.

**When you fill your prescriptions through FreseniusRx, you are on your way to a healthier you.**

- We specialize in kidney disease and understand how it can impact your medications.
- We talk with your doctor about your prescription changes so your medications are always up to date.
- We ship medications directly to your clinic\* when you need them, saving you and your family the hassle of picking them up at the pharmacy.
- We offer convenient payment options.
- Our team offers 24/7 support. Whenever you call, we can provide over-the-phone translation in more than 200 languages.

Studies show that patients who fill their prescriptions through specialty pharmacies like FreseniusRx are less likely to be hospitalized than those who fill their prescriptions at retail pharmacies.<sup>1</sup>

### **FREQUENTLY ASKED QUESTIONS**

#### **1. Who can use FreseniusRx?**

Any patient who receives dialysis at a Fresenius Medical Care clinic can use FreseniusRx.

#### **2. What medications does FreseniusRx provide?**

We provide the medications and supplements that are important for patients on dialysis, including phosphate binders and vitamin D.

#### **3. How much does it cost?**

The cost depends on your insurance coverage. If you need additional help with the cost of your medications, we can assist in reviewing other programs that may be available to you. Along with our monthly billing option, we also offer other payment plans. To learn more, call our pharmacy at **1-800-947-3131**.

#### **4. How do I sign up?**

Signing up for FreseniusRx is quick and easy! Ask the staff at your dialysis center to help you get started.

**Let FreseniusRx help you manage your treatment. Talk to your dialysis care team about signing up today or call FreseniusRx Customer Service at 1-800-947-3131.**

\* For states that require home shipment by law, we will ship directly to your home.
